Introduction

Congratulations on your purchase of an Angler Collapsible Background!

Angler's collapsible backgrounds are compact and lightweight accessories that are ideal for use in the studio or on location. Made with 100% cotton, they absorb light and help eliminate unwanted reflections. For transportation or storage, they easily fold down to a compact circle and fit neatly into an included carry bag.

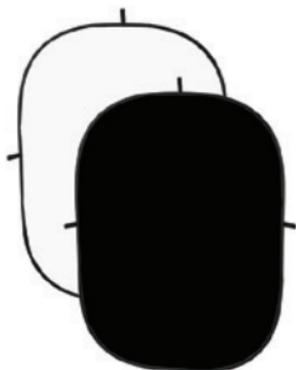

Each collapsible background is stretched on a self-supporting steel frame so that a stand is not needed when leaning the background against a wall. In addition, the background contains a top loop and two side loops with heavy-duty touch fasteners for convenient attachment to a tripod, stand, or background holder. The fabric is spot washable to ensure optimum performance and long use.

Visit our website at www.anglerlights.com to see our selection of colors and sizes.

User Instructions

Folding the backdrop

1. Grasp the backdrop at two adjacent corners. Lift the backdrop a little. The backdrop's own weight will assist the folding process. Fold the two ends together. The backdrop will look like a large taco.
2. Pass one hand behind the other in an overlapping motion—right hand to left hip and vice versa.
3. Sweep the corner that is in front over the corner closest to you.
4. Continue folding one side over the other until both align. The backdrop will now fit in its carry bag.

Warnings

- ▶ Please read and follow these instructions, and keep this manual in a safe place.
- ▶ Make sure that this product is intact and that there are no missing parts.
- ▶ Use caution when unfolding this product. Unfold in an area large enough to accommodate the full size of the background.
- ▶ Do not unfold around breakable objects.
- ▶ Do not machine wash.
- ▶ All photos are for illustrative purposes only.
