

PBS-AP

Premium Wood Piano Bench With Adjustable Height

Owner's Manual

Introduction

Thank you for choosing the Auray PBS-AP premium wood piano bench with adjustable height. This elegant, concert-style piano bench is suitable for use in a concert hall, studio, or at home. It features wood construction and an antique-style leather seat for comfort through many hours at the keyboard. The seat height can be precisely set by the performer, even while seated at the keyboard, by using the dual height adjustment knobs.

Warnings

This product has been tilt-stability tested. Auray is not responsible for injury due to improper use. Bench must be on a level surface with all four legs touching the surface at the same time.

- Please read and follow these instructions, and keep this manual in a safe place.

Instructions

Assembling the PBS-AP

1. Place the piano bench upside down on a stable surface.
2. Align the threaded socket of the leg with the hole on the corner bracket.
3. Insert the washer and bolt through the metal bracket, and screw it into the threaded socket of the leg. **1**
4. Complete tightening the bolt to the leg with the included wrench until it is securely in place. **2**

Do not over-tighten the bolt. Over tightening can damage the piano bench.

5. Stand the bench upright and place it on a flat surface.

Adjusting the height

1. To adjust the height of the PBS-AP, turn one or both of the side height adjustment knobs. **3**

Note: Adjusting the height with one knob or both adjusts the overall height of the seat. The height of the legs does not adjust independently.
