NOTE:

Recommended to fully charge selfie stick before first use.

PRODUCT FUNCTIONS :

BACK SIDE PRINTING

CHARGING INSTRUCTIONS:

1. Unscrew the Selfie Stick bottom cover with wrist strap to locate the charging port. Connect the Micro USB side of the included charging cable into the Selfie Stick charging port.
2. Plug the USB side of the included charging cable into your computer's USB port or an AC adaptor to charge the Selfie Stick.
3. It can take up to 1 hour to fully charge the Selfie Stick. The indicator light inside the charging port will be red when charging and turn off when fully charged.

HOW TO USE:

1. Press down the power button for three seconds until blue indicator light flashes
2. Turn on Bluetooth on your smartphone device
3. Locate and select "iBower" Bluetooth option
4. Open camera app and begin taking photos with "Shutter Button"

Quick Tip: The Micro USB charger port is located on the bottom of the stick, which is protected and blocked by the bottom cover when it is attached.
