Light Stand 8'

**INSTRUCTIONS**

Thank you for choosing Impact.

Congratulations on your purchase of the Impact LS-8A Light Stand. The LS-8A is a basic, lightweight stand with three risers in four sections.

The risers are air-cushioned to protect your lighting equipment, and are easy to position and secure with the locking knobs. A 5/8" stud with a 1/4"-20 threaded post atop the light stand is compatible with most standard lights and brackets, and comes with a protective cap for the post.

The stand is quick and easy to set up, and collapses to a compact size for easy storage and transport.
