FB230L Twin Shoe  
Umbrella Bracket  
**INSTRUCTIONS**

Thank you for choosing the Impact Twin Shoe Umbrella Bracket. Use it to mount two shoe-mount flashes, LED panels, or other shoe-mount devices, to a single stand.

This sturdy, all metal bracket tilts, swivels and features a 5/8" receiver for mounting on light stands, tripods, or booms. It locks securely with a non-slip, geared tooth mechanism. The included adapter allows you to mount to 1/4" or 3/8" threaded screws. Its umbrella shaft socket accommodates all standard 7-8 mm umbrella shafts.

The two shoe mounts are adjustable and can accept standard shoes from a variety of devices.

This Twin Shoe Umbrella Bracket was designed to give you many years of trouble-free service.

**CAUTION:** These brackets are not intended for use with umbrellas larger than 45". For safety, and to protect your equipment, use weighted sandbags to stabilize your light stand. Make certain your set-up is stable before proceeding.

# Recommended Accessories

## Impact Umbrellas

Impact umbrellas come in white, white translucent, beaded silver, black/white convertible, all in several different sizes.

## Impact Light Stands

Impact has a complete line of light stands from its economical LS-6B six-foot black light stand to 13-foot, air-cushioned, heavy duty light stands, Turtle-base and Sliding-Leg C-stands.

## Impact Super Clamp

This is a great complement to the Impact Twin Shoe Umbrella Bracket. Used together, the combination allows you to mount two portable flashes to tubes 1/2" to 2-1/8" in diameter or practically any rigid surface. The Super Clamp is a versatile tool for which you'll discover dozens of uses.

## Impact Sand Bags & Shot Bags

Impact Sand Bags and Shot Bags come in a variety of shapes, weights, and are either black or orange. They are used for anchoring the bases of light stands and set walls. The saddle-style bags have two wings so they can be draped over light stand legs. Each side of the bag has a hand strap for easy handling and hanging on hooks. The outer shell is water resistant, heavy-duty cordura nylon.

# One-Year Limited Warranty

This IMPACT product is warranted to the original purchaser to be free from defects in materials and workmanship under normal consumer use for a period of one (1) year from the original purchase date or thirty (30) days after replacement, whichever occurs later. The warranty provider's responsibility with respect to this limited warranty shall be limited solely to repair or replacement, at the provider's discretion, of any product that fails during normal use of this product in its intended manner and in its intended environment. Inoperability of the product or part(s) shall be determined by the warranty provider. If the product has been discontinued, the warranty provider reserves the right to replace it with a model of equivalent quality and function.

This warranty does not cover damage or defect caused by misuse, neglect, accident, alteration, abuse, improper installation or maintenance. EXCEPT AS PROVIDED HEREIN, THE WARRANTY PROVIDER MAKES NEITHER ANY EXPRESS WARRANTIES NOR ANY IMPLIED WARRANTIES, INCLUDING BUT NOT LIMITED TO ANY IMPLIED WARRANTY OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE. This warranty provides you with specific legal rights, and you may also have additional rights that vary from state to state.

To obtain warranty coverage, contact the Impact Customer Service Department to obtain a return merchandise authorization ("RMA") number, and return the defective product to Impact along with the RMA number and proof of purchase. Shipment of the defective product is at the purchaser's own risk and expense. For more information or to arrange service, visit [www.impactstudiolighting.com](http://www.impactstudiolighting.com) or call Customer Service at 212-594-2353.
