TP-30B

PopPod EX

Compact Tripod

Make a better picture with Magnus™ PopPod.

ADJUSTABLE

Smooth tilt & swivel ball head mount with locking lever for maximum rotation

EXTENDABLE

Telescoping slide-out legs add 9 total inches of height

SOLID

Constructed of durable aluminum composite materials

STEADY

Traction-enhancing Sure-Grip rubber tripod feet offer additional stability

LIGHTWEIGHT

Weighs just 6.7 ounces

PRODUCT INSTRUCTIONS:

- Spread tripod legs apart on stable surface
- To extend height, grasp rubber-tipped legs and gently pull outwards to attain full length
- To adjust camera angle, loosen locking lever under ball head, rotate to desired position, and tighten lever
- Securely mount camera onto universal 1/4-20 mounting thread

Maximum Height: **9.7"** / Closed Height: **6.4"**
