MINI SOFTBOX

FOR SHOE-MOUNT FLASH

 VELLO™

MINI SOFTBOX FOR SHOE-MOUNT FLASH

Made of quality softbox fabric. Adds softbox diffusion to your shoe-mount flash. Diffuser material can be pinned back to reveal reflector material for bare bulb effect. Fits most standard shoe-mount flash units and stays secure with its elastic band. Folds flat for compact storage.

Pop open the Vello Mini Softbox

Fold the diffuser flaps over the sides and press down the touch fasteners

Stretch the elastic band and slide the mini softbox over your flash head

You can also fold the diffuser screen back for bare bulb effect
