

# 4-Port USB Wall Charger

## User Manual

## Thank you for choosing Xuma.

The Xuma 4-Port USB Wall Charger is a lightweight and compact AC-to-USB power adapter with options for charging up to four USB-compatible devices at once. Its sleek design makes for easy carrying on the go. It accepts Standard-A USB cables and outputs 2.4 Amp per port when two ports are in use or a total output of 4.8 Amp between the four ports. Two ports are dedicated for iPad and iPhone devices, while two more called FastCharge are for tablets and other USB-compatible devices.

Please read the rest of this manual to become more familiar with this charger.
